Print & Packaging Design

Profile

UI/UX and visual designer with 5+ years of experience across digital products, games, branding, and visual communication. I enjoy turning complex ideas into clear, engaging experiences, and I'm especially drawn to work where interaction, visual systems, and storytelling come together.

Experience

UI/UX Designer

Bhoos Games • August 2023 - May 2026

- Designed consumer-facing digital products and mobile card & board games, from early concepts to polished UI.
- Created reusable design systems and UI components to improve consistency, speed up design workflows, and support developer handoff.
- Contributed to game design and research, exploring new gameplay ideas based on familiar board-game mechanics.
- Produced supporting visual and brand materials across product, marketing, and social channels.

Selected projects: Ludo Cards, Uptrendly

Visual & UI/UX Designer

Blackdove Studios • June 2022 - August 2023

- Designed interfaces and user experiences for websites, web applications, mobile products, and browser-based games.
- Worked across the full design process, from product exploration and concept development to high-fidelity UI and handoff.
- Created design systems and reusable components to maintain consistency across digital products.
- Developed visual identities, illustrations, and brand collateral for a range of clients and industries.

Selected projects: Equicom Brand Guidelines & Brand Book, Uniport Website, GangWars

Co-founder/ Visual Designer

Tathyakar Technologies • April 2021 - March 2022

- Co-founded a hospitality-focused technology company and led its visual and product design direction.
- Designed the company's visual identity and established the foundation of its brand.
- Designed a QR-based ordering web application for restaurants and their customers.
- Created product and UI designs for a food-delivery and restaurant-booking mobile application.
- Designed a web dashboard for restaurants and hotels to manage their digital services.

Brand & UI Designer

DIYO.AI • November 2020 - February 2021

- Designed the company's logo, visual identity, and supporting brand system.
- Designed the company website and translated the visual identity into a consistent digital experience.
- Created branded marketing and social-media collateral while maintaining visual consistency across touchpoints.

Leadership & Involvement

Creative Director

VECTOR • Pashchimanchal Campus • 2020

Led the visual direction for the national technical festival, overseeing event branding and the design of promotional and communication materials.

Visual Designer

Hult Prize @ IOE Pashchimanchal Campus • 2019-2020

Designed promotional graphics and event communication materials for the campus Hult Prize program.

Design Lead

Club of Technical Students • Pashchimanchal Campus • 2018-2020

Created visual communication for student initiatives and technical events, while also conducting introductory design workshops for junior students.
